Dear Members,

Hi! It seems as if the thaw started before winter began this year. So now it is time to think of summer activities - hiking, fishing, swimming, tennis, horseriding.... Remember, summer rates are cheaper.

Again we'd like to thank Hans and Eva for their constant effort at the Lodge resulting in less hassles. Even with their care we find it necessary to hold our usual end of season work party.

WORK PARTY                      6TH & 7TH NOVEMBER  
(Contact Rascal Bookings - 824914)

The social committee is organising food and grog for all workers on Saturday night - promises to be an entertaining evening.

For those of you who haven't been down to the Lodge this season, the microwave has seen a lot of service and appears to be a valuable asset. The new sound equipment was also greatly appreciated and well used especially for the morning snow report and quite listening while sipping in the evening.

The new book case looks a little bare hence any stray paperbacks, children's books, magazines, etc are welcome.

Our film night was successful. A variety of films were enjoyed by 40 plus people with a supper of bread, pate and cheese washed down with gluhwein or beer.

Hope to see some of you at the work party weekend.

---

PS. We were a bit concerned with the SECURITY at the Lodge this year. A number of breakins were reported around Jindabyne with a great deal of equipment being stolen. Luckily RASCAL was not included in the statistics. However, it was noted that the front door was often left open during the day as well as at night.

PLEASE remember to take your key and lock the door even if you are NOT last out.
