## LOST AND FOUND

"Lost" at the lodge during the last Winter season:

- 1 large salad bowl
- 1 shower-mate from the female shower
- 1 frozen leg of lamb, property of the lodge managers

Found at the lodge:

- 1 brooch in the shape of a flower
- 1 red nylon windjacket

Please claim these from Barbara Brown, 432412 (W) 413070 (H)

## COMMITTEE PROCEDURE MANUAL

Members of the Committee have prepared a procedure manual for new committee members outlining the duties of each position. Hopefully this will make life much easier for new committee members taking office. (How about YOU?)

## LODGE MAINTENANCE

we have recently had the electricity pole to the lodge replaced and the lodge completely checked by a plumber. One of the water heaters has just given up the ghost and is about to be replaced. We are about to buy a new, comfortable lounge setting to replace the old pine suite. A new BBQ table complete with chairs is also on order.

## WORK PARTY REPORT NOVEMBER 13TH & 14TH

Busy workers were Margitta Acker, Chris Acker, Jan Herbert, Ron Adams, John Williamson, Penny Barker, Judith Turnbull and Barbara Brown.

We continued to lay the mounds of tanbark thoughtfully piled around the garden by the previous workparty. There still remains quite a lot to be spread, but as one of the workparty members wrote on the list, "the spirit was willing but the body was weak". The sliding door received a new lower pane of glass (but only with considerable effort), the stairs received a childproof railing, the lights were washed, the blue chairs cleaned, the games room cleared out and made into a games room, masses of grass was slashed plus heaps of small and large cleaning, maintenance and painting jobs were done.
