Full members and Summer members are hereafter collectively called Adult members.

2.4.1 Members with Junior Membership (hereafter called Junior members) shall be sponsored by an Adult member (hereafter called the sponsor). Junior members must be under 18 years of age when proposed for Junior membership.

2.4.2 Junior Membership shall cease when the membership of the sponsoring Member ceases (or lapses or is deferred) or at the end of the calendar year when the Junior attains the age of 24 years.

- 2.4.3 A Junior member aged 18 years can apply for an upgrade to full or summer membership.
 - 2.4.4 Junior Members are not entitled to vote at an election, nor hold a position on the Committee, nor make a Lodge booking.

In relation to behaviour at the Lodge, responsibility for the Junior member is taken by the member making the booking if the sponsoring member is not staying at the Lodge at that time.

 - 2.6.2.2 Must be a current, financial Full or Summer adult member

- 2.8.1 An Adult member may request in writing to the committee to defer their membership together with the membership of all their sponsored Junior members.
 - 2.8.2 Membership deferrals will commence from the date of approval by the committee up until the last day in the calendar year. At the commencement of the next calendar

year deferred membership will become lapsed until such times as the member renews their membership or an approval is sought to extend their deferral.

- 2.8.3 Deferral of membership is only considered in exceptional circumstances when the member will be unable to use the Lodge for at least one full calendar year. Exceptional circumstances include the member being overseas or interstate (that is, not resident in the ACT or in NSW) or suffering significant personal hardship.
- 2.8.4 To restore their original class of membership the person must make a written request to the committee, and if approved, pay the current annual membership fee for the class of membership the member is restoring to. The member may request to restore junior memberships and pay the relevant annual subscription.
- 2.8.5 Junior members associated with a restored member and who are over the age of 18 may upgrade to full or summer membership provided the upgrade occurs at the same time as the Adult member restores and the appropriate upgrade fee is paid.

3 Lapsing of membership

- 3.1 A person whose membership ceased due to unpaid membership fees for the current calendar year can reinstate their membership by paying the outstanding membership fee for the current year.

5 Lodge Rules

- 5.1 The rules of the Lodge will be defined from time to time by the Committee and will be notified in the RASCAL website and displayed at the Lodge.
- 5.2 All users of the Lodge are required to abide by the Lodge Rules. Adult members are responsible for ensuring that all Junior members and all guests in their booking abide by the Rules.
- 5.3 Smoking: Rascal Lodge is a fully NO SMOKING environment.
- 5.4 This no-smoking policy includes the area adjacent to each entrance to the Lodge and also the entire deck area on the top floor.
- 5.5 Smoking is ONLY permitted in the "apricot tree" area adjacent to the rubbish bins – and this area has been signed to indicate the sole Smoking Area. Smokers should fully extinguish butts and dispose of them appropriately and safely without littering the Rascal property or adjacent area.

- 5.6 External Fires: The lighting of fires on the Rascal Lodge property and surrounds is forbidden under Snowy River Shire Council regulations. Rascal adheres to Council regulation and does not permit the lighting of fires by members or their guests on its property.
- 5.7 Pets: Are not permitted either in the Lodge or on the property.
- 5.8 Lodge Rules Document: The “Rascal Lodge Rules” shown at Schedule 2 is that adopted by the Committee for distribution to members, and displayed in the Lodge, as a summary of the expectations for the behaviour of members and their sponsored guests whilst staying or visiting the Lodge.
- 5.9 All members and their guests are required to fully comply with the detail and the expectations outlined in the “Rascal Lodge Rules”.

6 Lodge Bookings - General

- 6.1 The following booking rules are designed to be flexible and responsive to Members’ needs. The Committee is mindful that the Lodge is there primarily for Members and that the rules should distinctly favour members. The Committee is also mindful that the quality of some Members’ stays is considerably enhanced by having guests stay with them. The Committee also considers it highly undesirable to allow the Lodge to stand idle when it could be used by guests particularly in non-peak periods in winter when the overhead costs of heating the Lodge are very high.
- 6.2 The Office Manager, in consultation with one member of the RASCAL Committee, has discretion to accommodate particular member needs and the following booking arrangements are designed primarily to provide a predictable and transparent basis for resolving competing bids for accommodation during periods of heavy usage.
- 6.3 A “booking” is deemed to have been made when the booking has been confirmed by the Rascal web site.
- 6.4 Seasons
 - 6.4.1 “High Season” means:
 - 6.4.1.1 Friday and Saturday nights in July and August inclusive.
 - 6.4.2 “Medium Season” means:
 - 6.4.2.1 Friday and Saturday nights in June and September;
 - 6.4.2.2 Easter Public Holiday;
 - 6.4.2.3 24 December to 15 January inclusive;
 - 6.4.2.4 Mid-week July and August.
 - 6.4.3 “Low Season” means all other times.
 - 6.4.4 “Winter Season” means:
 - 6.4.4.1 the period from 1 July to 31 August inclusive.
- 6.5 Adult Members may make a booking or may request the Office Manager make the booking on the Member’s behalf. Full payment is required to be received by the Office Manager within seven calendar days of the booking being confirmed by the web site.
- 6.6 The number of guests on any night of a booking (excluding in cots) permitted in a casual booking (i.e. not a block booking) shall not be more than twice the number of Adult member nights in that booking for that night.
 - 6.6.1 During low season a booking may include a larger number of guest nights as is deemed reasonable by the Office Manager in consultation with the Rascal President.
 - 6.6.2 If the Office Manager and President together decide that a Member’s booking request is not reasonable in the circumstances, the Member requesting the booking may ask the Office Manager to refer the booking request to the Committee for reconsideration at its next meeting.

- 6.7 Multiple Single Room Occupancy:
- 6.7.1 In High and Medium seasons, a booking may not have more than one room occupied by one person per room. Any room which has only 1 bed in it (Room 3 for example) is excluded from this restriction.
 - 6.7.2 In Medium season, a booking may include two rooms, each occupied by one member if such arrangement is deemed reasonable by the Office Manager in consultation with the Rascal President. Any room which has only 1 bed in it (Room 3 for example) is not counted as one of these two rooms. A right of appeal, as set out in Clause 6.6.2, shall also apply to this clause.
- 6.8 A Member may make a casual booking at the Lodge for January and February prior to having renewed their membership for the year of the booking provided the booking is made prior to the date on which membership renewal commences. For example, if renewal for 2013 commences on 1 November 2012, then a booking can be made in July 2012 for February 2013.
- 6.8.1 A Member may make a block booking at the Lodge prior to having renewed their membership for the year of the booking provided the booking is made prior to the date on which membership renewal commences. For example, if renewal for 2015 commences on 1 November 2014, then a block booking can be made in July 2014 for April 2015.
- 6.9 Lodge Booking Payments: A booking made within 7 full days of the start of the booking must be paid for at the time of the booking being made. Payment for the booking is to be made using the online Credit Card facility before concluding the booking process.
- 6.10 Payment Time: for all bookings, other than those covered by Cl 6.9, a booking is not valid, and the member and his/her party may not occupy the Lodge, until full payment has been received and banked by Rascal (such payment to be made either via EFT transfer, online credit card payment or payment sent to the Office Manager).
- 6.11 Bookings which remain unpaid 7 days after being made are subject to being immediately nullified by the Office Manager without further notice to, or contact with, the booking member. It is the responsibility of the booking member to ensure payment is made within the seven day period.
- 6.12 Responsibility for Guest and Junior Members: The booking member is responsible for each and every Guest member on his/her booking and also for every Junior member on the booking.
- 6.13 Responsibility for Top Bunk Safety:
- 6.13.1 The member making the booking shall indicate, during the booking process, for each person in their party, whether that person can safely occupy a top bunk, OR NOT.
 - 6.13.2 The online booking system will decline a booking if sufficient lower beds/bunks cannot be allocated for all members of a party indicated as not safe in a top bunk.
 - 6.13.3 After a booking has been confirmed, where a room allocated to the party has one or more top bunks, it is the sole responsibility of the booking member to ensure that no person in his/her party occupies a top bunk unless that person can safely do so.

SCHEDULE 2

RASCAL Lodge Rules

RASCAL is much more than an affordable, conveniently located and comfortable lodge with the best views in Jindabyne. RASCAL is first and foremost a collection of people with diverse interests and backgrounds who share a common love of the Snowy Mountains. Together, we as members of the club enjoy a range of obvious benefits—the lodge is a perfect base from which to venture out on the snow, to seek that elusive prize trout, to pedal that mountain bike across the high country, to explore new walking tracks or to relish time to relax on the deck with a glass of wine in the company of new and old friends. But with those benefits come a set of responsibilities for protecting and maintaining the lodge and ensuring the safety of ourselves and other members. Those responsibilities are summarised here as rules with simple common sense guidelines that we as club members agree to abide by.

1. Observe the check in/out time and your room allocation

- Rooms are allocated a few days prior to your arrival and emailed as a Room Allocation Table. When you arrive please take only the room(s) allocated to you and your guests. There is a fridge shelf and kitchen draw associated with your room.
- Check in time is 5pm, though you are welcome to use the lodge facilities during the day that you check in. If your assigned room is unoccupied, feel free to move in!
- Check out time is no later than 5pm.

2. Ensure the safety and security of everyone staying at the lodge

- Ensure the foyer door is closed and locked at all times.
- The door lock code is only for the use of members and guests booked into the lodge.
- If you are the last to leave, check that all external doors are locked and windows closed.
- Be aware of the location of fire exits and fire extinguishers.
- Be aware that the fire alarms may be set off by burning toast or sprays of deodorant or hairspray can and a visit by the fire brigade may incur a cost to the club.
- Keep halls and exit doorways free of clutter.
- Smoking is only permitted in the designated outside smoking area (near the apricot tree).
- Ensure no fires are lit for cooking or entertainment on RASCAL property.
- Do not use unauthorised heaters or other unsafe appliances.
- Pets are not permitted either in the Lodge or on the property.
- When using or leaving items in the shed members are asked to be considerate of others equipment and the safety of other shed users. The shed must be kept locked at all times. Members must remove any personal items from the shed at the end of their stay.

3. Assist with the cleaning and maintenance of the lodge

The lodge belongs to all of us so please keep the communal areas clean and tidy:

- Take care that your shoes and belongings do not track dirt into the lodge.
- Leave the communal areas clean and accessible for other guests. Wash, dry and place in the cupboards all kitchen items you and your guests use. Clean the BBQ after you use it. Wipe down the washroom basins.
- Leave your room clean and neat when you vacate the lodge: vacuum, ensure the ladders and bunk-bed roll out bars are in place, fold up doonas and stack pillows. Ensure the windows and curtains are closed.

- Leave the lodge clean and tidy for arriving guests. The lodge is commercially cleaned weekly in winter and monthly at other times. Your contribution to maintaining a clean lodge is essential. Share the tasks with other lodge users:
 - Give the kitchen or foyer floors a sweep.
 - Top up the paper towels.
 - Vacuum the lounge
 - Wash and dry the tea towels.
 - Empty a bin.
 - Re-stock toilet paper rolls.
 - Clean a toilet.
 - Do any little job that will keep our lodge tidy.

4. Assist the club to conserve energy.

Energy costs are an increasingly large burden for the club so where you can, save energy:

- The building heating is simple and efficient, with clear instructions to turn it off and on. It works best with the doors and windows closed! Please do not attempt to make adjustments to the temperature setting.
- Similarly, the summer cooling can be turned on an off by following the simple instructions. It works best with doors and windows open!
- Turn off lights when you're not using them.
- Turn off the drying room heaters in the morning. Use the outside clothes line to dry items whenever possible.
- Keep showers as short as possible.

5. Be considerate of others.

Children, teens and even adults can sometimes forget that we are sharing the lodge with other members and guests and that noise travels:

- Keep internal and external noise to a reasonable level and to a minimum after 10 pm and before 7 am.
- Use head/ear phones for radios, smart-phones, iPads, iPods and the like or check with other guests before you share!
